

SouthernDiRT TECHSPO

“Making it easy”

Providing the opportunity for farmers and their advisors to touch, feel and talk about the many technologies currently available to improve livestock and cropping productivity and profitability.

Wednesday 1st July 2015

Katanning Leisure Centre

8.30 am - 5.00 pm

Join us for a day of presentations, demonstrations, exhibitions and good old fashioned ‘tyre-kicking.’
Discover what technological solutions, products and services could benefit your farming enterprise.
